(Filed October 5, 2000)

**INTERIM OPINION
DENYING PETITION FOR MODIFICATION
OF DECISION 01-09-020**

On February 20, 2002, Dr. Lee R. Walker filed a petition for modification of Decision (D.) 01-09-020. Petitioner seeks status as an essential customer in Category M (normally exempt from rotating outages).

Petitioner presents the same arguments in support of his petition that he presented in an application for rehearing. The rehearing request was denied in January 2002. (D.02-01-065.) Petitioner presents nothing new that would justify a different outcome. As we are not persuaded to modify D.01-09-020, we summarily deny the petition. (Rule 47(h) of the Commission's Rules of Practice and Procedure.)
